Addendum 2
December 10, 2012
PON-12-501
GRANT SOLICITATION APPLICATION PACKAGE
High Purchase Costs and Disposal Impacts of PEV Battery Packs

The purpose of this addendum is to make the following changes:

Application Manual

- Page 1 – Key Activities Dates
 - Correct the deadline date for written questions
- Page 3 – California-Based Entity
Correct the definition of California-based entity
- Page 4 – California Economic Investment
Clarify the California Economic Investment Requirement
- Page 5 – Match Funding
Clarify language on expenditure of Match Funding
- Page 5 – Pre-Application Workshop
Correct the start time for the Pre-Application Workshop
- Page 7 – Question
Remove incorrect language and dates
- Page 21 – Grounds to Reject An Application
Update language on grounds to reject

Application Form (Attachment 1)

- Page 2 – California-Based Entity and California Economic Investment Requirements
Add a “California-Based Entity and California Economic Investment Requirements” box

Budget (Attachment 7)

- Revise the budget instructions for Attachment B-2 to clarify the economic investment in California requirement
- Revise Attachments B-2, B-3, and B-7 (new rows for the California-based entity and economic investment in California requirements, corrected formulas)

California-Based Entity Form (Attachment 10)

- Correct the definition of California-based entity

Scope of Work Template (Attachment 3)

- Replace the Scope of Work (SOW) template with the PIER SOW template (includes a Data Collection and Analysis task, Technology Transfer Activities task, a Production Readiness Plan task, and corrected language in the Data Collection task) (pages 10, 11, and 12)

DUE TO THESE CHANGES, APPLICANTS THAT HAVE ALREADY SUBMITTED AN APPLICATION WILL BE ALLOWED TO RESUBMIT.

**Crystal Presley-Willis
Grants and Loans Officer**
